

RISE ABOVE Psoriatic Arthritis

Are psoriatic arthritis (PsA) symptoms keeping you down? Researchers are exploring ways to manage PsA and help those affected reach new heights on their treatment journey. Learn more about the **LATITUDE Psoriatic Arthritis Studies** today.

You may be able to participate in the LATITUDE Psoriatic Arthritis Studies if you:

- Are 18 years of age or older
- Have had signs and symptoms of psoriatic arthritis for at least 3 months
- Have active arthritis with:
 - At least 3 tender joints
 - At least 3 swollen joints
- Have active psoriasis or nail changes from psoriasis

Participants may be reimbursed for some travel, parking, and meal costs.
